THE FAULTS OF OUR MEMBERS, WE WRITE UPON THE SAND—THEIR VIRTUES UPON THE TABLETS OF LOVE AND MEMORY

### I am an Elk!

Real testimonials. Real members.

I am a very proud Elk because of what we stand for, because of what we do, because we are caring people, because we love our country and all the people that stand up for it (vets, active military, etc.). Our communities need us and I have derived a new meaning for what "ELKS" signify: **Extending Love & Kindness Somewhere!**

**-Ricky Boucher** (Burlington, VT #916)

I joined the Elks after moving to a new town and stayed with the Elks because I found a community. The good work the Elks do in our community fits in with the family values that I grew up with. At the time I joined, I wondered if those values could still exist in this day. I found it to be alive and well in the Elks. My wife and daughter think I'm nuts at times, but have found an outlet for my passion to serve. I can hold my head high and proudly say "I am an Elk."

**-Keith Helling** (Lakeview, OR #1536)

I am an Elk and believe in what the Elks are all about. Elks are about the youth of our communities as they are our future. Anything we can do to help them in accomplishing their goals in life should always be at the top of our list. Also believing in never forgetting a Veteran is also very close to my heart. As we help those who have the need to get back on their feet and help those that are so disabled they don't have that opportunity. So we go play bingo with them, or bring them to dinner, take them to ballgames, bowling, etc. That's what Elks are about and that's why I'm an ELK! Thank you!

**-Dale Blomker** (Sun City, AZ #2559)

I am a member because I get the opportunity to do more for the youth and veterans with the help of my Lodge and District than I could ever do on my own.

**-Pedro Rosa** (Rotterdam, NY #2157)

After reading through these few thoughts from fellow Elks across the country, take some time to reflect on why it is that you're a part of the Elks. Do you have friends around you who might get the same benefits out of our fantastic organization as you do? Invite them down to see what it is that we do, even if it "doesn't seem like much". You never know, this might be their outlet for something unrealized...

## 2020 - 2021 Budgets

It's time to start thinking about the budget for 2020. All committees that are needing a budget will need to submit a **detailed** budget to the Trustees by February 5, 2020 (this is a lodge meeting night). Also, if you plan on using the Calling Post, include it in your budget. You will be charged for the calls this year (this is something new).

The Trustees

## Lodge Scholarship Scoring

All hands on deck! Mark your calendars for March 1, 2020 at noon for our annual scholarship scoring extravaganza! A lunch of sandwich fixin's will be provided. We will need lots of help to score the expected 100+ applications we will receive.

We will work until done or whatever time you can give is appreciated. The awarding of \$40,000 in scholarships is a big event in the life of our Lodge, and is a chance to make an impact.

Plan to attend? Please let me know via email at [elkslodge80scholarship@gmail.com](mailto:elkslodge80scholarship@gmail.com) or leave a message with the bartenders so I know I can count on you!

## Karaoke at the Lodge!

Please join us at the Jolly Corker Pub on Friday **February 21st** for Karaoke Night! Please note the later date!

We're all there for the fun, so come on down and perfect your skills! Bring snacks to share!

Already have skills? Bring your friends with and show 'em what you've got!

**Grand Exalted Ruler, 2019-2020  
Robert L. Duitsman  
Message from the GER  
Grand Lodge Newsletter,  
February 2020**

**Delinquent Members deserve a phone call.**

The end of the Lodge year is fast approaching. I hope that Lodges are contacting delinquent Members to find out what is going on, and how they can be kept as Members.

I strongly suggest that no Member should be dropped without some sort of initial personal contact, whether it be a phone call or visit, to really find out what is happening. Sometimes there are special circumstances that can be worked around. Whatever the reason for the delinquency, the person has been a part of your Lodge family and should be afforded the respect and fraternal concern given to all Members.

Even if a delinquent Member has decided for whatever reason not to continue his or her membership, please consider making the effort to find out why. There may be something going on in your Lodge that can be changed to avoid the loss of additional Members. Something to think about.

February is possibly the most important month of the fraternal year: It is when the leaders of the Lodge are chosen. Every Member should take an interest in officer selection and attend the meeting. Then, elections are to be conducted. Unfortunately, there have been times when a very small percentage of a Lodge's membership have elected officers with a passion not shared by the majority. It behooves every Elk to take an interest in the election process and be a part of the decisions made. The future of the Lodge may depend on it.

If you haven't done so, please try to keep your Lodge website page on [elks.org](http://elks.org) up to date. Often times I've visited a Lodge page and found that officer listings were missing or no longer accurate. An outdated or inaccurate web page, especially one provided free through Grand Lodge, reflects poorly.

With only two months left in the fraternal year, now is a good time to plan for year end activities. Will there be an event to recognize senior Members who have achieved milestones in their Lodge membership? Are the new officers properly prepared for their coming year of service? All of these things, both fun and important, should be under consideration as the end of the year starts to come into focus.

Finally, to the Lodge Secretaries, please make sure to enter new Lodge directory information into CLMS2web so that correct listings can be available. It will save a lot of time later on.

Hip, Hip hooray it is time to celebrate. Why you might ask? February is the third and last month of meteorological winter in the Northern Hemisphere. It will get warmer after a spell I do believe. Did you also realize that February is also the only month of the calendar that, once every six years and twice every 11 years consecutively, either back into the past or forward into the future, has four full 7-day weeks?

But do we need another day to celebrate? Most would say yes, we do. February 2nd, otherwise known as **Groundhog Day**, is a popular tradition celebrated in Canada and the United States. Did you realize that this day derives from a Pennsylvania Dutch superstition that if a groundhog emerging from its burrow on this day sees its shadow due to clear weather, it will retreat to its den and winter will persist for six more weeks, and if it does not see its shadow because of cloudiness, spring will arrive early. Well our semi-mythical groundhog Punxsutawney Phil (I am betting) will see his shadow this year. Please do not blame me for this vision of the future! Some say Nebraska's prognosticating rodent, Unadilla Bill, for some strange reason always sees what the Pennsylvania varmint sees differently. We do believe in Bill!

Well not to be outdone, we have Superbowl 53 on the 2nd, Valentine's Day on the 14th, our Lodge Sweetheart Dinner on the 15th, Presidents Day on the 17th, Mardi Gras on the 25th, Ash Wednesday on the 26th, and finally Tacos and Talent on the last day of February. For being the shortest month there is a lot going on.

To change gears a bit, it came to my attention the other day that the second leading cause of deaths among people in the 15 to 24 age group is suicide. Sadly, between 2013 and 2019, the total death rate for young people aged 10 to 19 years old grew 12 percent, largely due to a significant increase in injury-related deaths, such as drug overdoses, homicides, car crashes, and suicides. Now please note that suicide rates among those aged 10-19 years rose 56 percent between 2007 and 2018, with greater increases for females than males. Why do I bring this up? Our youth need you, us. Rather than turning a deaf ear to them, let's find ways to encourage them. We have programs within our very own Elks organization that can help. Scouts, both boys and girls, Hoop shoot, Soccer shoot, our scholarship programs, our Drug awareness program, Youth Football, and our Free Christmas party just to name a few. Our Youth need you!

We also need your support in our growth in order to "spread the Word" about all of the good we (you!) do. We need more voices to spread this word. Think of all the good we could do if we had additional members. Think of all the kids we could help. Of all of our Veterans and First Responders that we could support.

If you're a computer buff and you have a web browser simply input <https://www.elks.org/who/testimonials.cfm>. You will find a number of testimonials on why individuals joined the Elks. It is a very interesting read. Helpful in fact! I am very proud of our Lodge, City, and State. True if you read or listen to the news it looks grim. But with you, there is hope. Hope of a better tomorrow.

As Zig Ziglar once stated "People are basically the same the world over. Everybody wants the same things - to be happy, to be healthy, to be at least reasonably prosperous, and to be secure. They want friends, peace of mind, good family relationships, and hope that tomorrow is going to be even better than today." Sounds familiar doesn't it?

Thank you for taking the time to read my column.

We will be seeing you around our Lodge!

## DOES Dispatch

Two months from now, April 1st, is the beginning of a new year for the Elks Lodge. With the new year, there will be an election of new officers, and getting ready for the annual (April) conference to be held in Kearney.

The Elks Lodge New Year will also begin the task of renewing your membership with the payment of your annual dues. Statements will be mailed out late February, early March.

As stated in last month's Newsletter, on February 10th, we will drop those members who did not pay their 2019-2020 dues. The list of those members is elsewhere in this newsletter. If you do not have a membership card reflecting those dates, or if you have received a delinquent dues notice several months ago, please mail in your payment or contact the office if you feel there is an error.

As mentioned earlier, I will be sending out dues notices for the upcoming lodge year, April 1, 2020 through March 31, 2021. For those of you on the monthly dues payment plan, your monthly cost will go up fifteen cents.

Please, if you have any questions or comments of how I can better serve you, please contact me. My phone number is 402-570-2555 and my email is: [lodge80secy@yahoo.com](mailto:lodge80secy@yahoo.com). See you all around the lodge.

It is with great honor that I address you as President 2020! The DOES installation was on Jan. 4; installed officers were Randy King as Chaplain, Wauneta Peterson as Treasurer/Trustee, Kay White as Senior Counselor and Diane Zabokrtsky as President. I would like to give a big thanks to the Omaha DOES for their assistance in the ceremony, Marjorie Wyant for being the Installing Past President, and my special guests for their attendance and kind words; Larry Schwindt, Larry Bratt, Harry Montag, and Laurie Montag!

At our last meeting the discussion of our meeting time was changed to the fourth Tuesday of the month at 6pm, this makes January 28 our first meeting of the year. This is due to the lodge being closed on Mondays and the time is earlier to allow all to get home or wherever they may want to be an hour sooner.

The Elks pancake feed was Jan 26th, and the DOES bake and craft sale during the gathering was successful. I would like this to continue! I look forward to engaging with everyone's ideas for being a "PRODUCTIVE DROVE" in the year 2020. We can be a big help to others if we look in our hearts for our passion and desire to make this world a little kinder one deed at a time. February's meeting will be at 6pm on Tuesday Feb. 25th, will possibly have a potluck for founders' day at this meeting.

In God's Love, Diane Zabokrtsky ([dianezabokrtsky@gmail.com](mailto:dianezabokrtsky@gmail.com))

## Knights' Tales

Today fellow Elks, the temperature is 14\*, it could be worse I guess (editor's note: it's 1\* out as I'm putting this together!). While it is cold, we should all think about how we could help the Elks Lodge grow in membership and in charitable giving. The lunches seem to be doing better and if you have time, stop down and have lunch or in the evening stop by and have a drink with a friend.

Some remodel work has been done and new carpet in some areas is going to be installed soon. It is good to keep things in good repair!

The Elks have several things coming up: Pancake Feed at the end of January, Valentine's Dinner is always a good one. Please take a look at your Elk O Gram, it'll tell you all of the goings on!

-Dick Wolf, Leading Knight

It's time. The weather is cold and unyielding. Two warriors deign to cross on a bridge with room for one rider at a time. Chivalry has its merits, but also, it's challenges.

One of those warriors is on his way for a field of honour contest, but first, he must deal with this immediate challenge. He took his stance astride his faithful steed Baldur, both clad in the heraldry colors and patterns befitting his surname. Ready wasn't a question or doubt. It's what he's trained for all his life, especially as a squire under a famous knight, until that mentor was betrayed by a comrade. That comrade killed his mentor on the field of honour, leaving him without a charge to look after him. Then he was taken in by another knight, leaving him with one burning desire: justice, by avenging he betrayal of his former benevolent and compassionate mentor.

But how do you serve God, yet uphold justice for those who have been wronged through a heinous betrayal or injustice? How do you wait upon the Lord to do what you crave to accomplish for what is rightfully yours to exact?

That's where the "rubber meets the road" when it comes to the Elks' role in correcting violations of obligations, or failures to perform fraternal duties. Challenges on the "lists" as noted in "King Arthur" times may not be the order of the day for us now, but a trial, nonetheless, is carried out by Elks officials to determine the merits of any and all infractions of our Order.

Elks' Justice is not vindictive, but the slate must be swept clean for a brother or sister Elk so that they may be returned to their rightful status among our brotherhood. But always remember that the decision of the Highest Tribunal should be taken as final, without that "trial by combat."

-Rev. Dr. William Jackson, Loyal Knight

Time is running along, the Holidays are in the rear view mirror! Christmas is long gone, and New Years is almost a memory. The Officers and I hope you had a very good holiday season and a fantastic New Year!

The company I work for posted its very best financials to date. Aviation is alive and well, but we could use more pilots and mechanics. The future is very bright! Along with new jobs being brought in, many new businesses are being built, as well as new housing cropping up all over town. Lincoln is growing and we need to capitalize on it! With growth of our city should come growth of our Lodge and membership.

February is here, and along with it comes Valentine's Day. For the third year in a row, we'll be making Goodie Bags for the kids at Cedars and F Street. Donations are always welcome, be it cash or candy or time. We've been trying to make at least 150 bags (plus a few extra) to celebrate the Elks' birthday. This year, assembly will take place on Feb 8 at 2pm.

The Elks is a wonderful organization, and you truly get out of it what you put in to it. The more you volunteer and get involved, the more rewarding it is. On that note, as always, get active, get involved, go to the dinners, and just have fun!

-Troy Pedersen, Lecturing Knight

## ...and now for the Quickies...

...Winter is upon us, and a good way to chase away the chills is by doing lunch with your friends at the Jolly Corker Pub! They have quickie lunches that are ready to go, along with short order ... come visit the Pub for lunch or soups 'n salads in the evenings. Great way to end the day, have a chat with friends, patronize your Lodge ... we need to support the Pub to keep it open, please bring your friends when out and about ... good to see everyone turn out for the Volunteer Recognition Dinner the other night, we recognized the winners of the Hoop Shoot and their families, along with over 20 Volunteers who were recognized for their selfless giving and support of the Concessions Project. This fundraiser has been supported by the Does for over 50 years, it is a lot of fun, but takes a lot of people to make it work. We fill 96 volunteer slots over the course of a Husker season and we did it with just 33 people last year, 9 of which aren't even Elks or Does, just good souls helping out their friends ... get them an application! We need new members to grow and support our Lodge, please invite your friends to help ... by now the Pancake Feed is in the books, this is a great event for the Elks Charitable Scholarship Fund Inc. ... an enjoyable event that supports scholarships for both the Elks and the Does ... the Does offer bake sale items, our Past Drove President Wauneta graciously plays the organ for the festivities ... that is such a joy to hear and adds so much to the event ... we had a visit from our State President and the 3rd Vice President this last meeting, and they had words of encouragement for our Lodge, and appreciation for the jobs well done ... they encouraged us to increase membership and recruit new members into our Lodge, get them involved, as well as contacting those on the delinquent list, see if their interest can be re-kindled ... our Cash Calendars continue to pay out, lots of people getting a pleasant surprise of a check in the mail ... Karaoke will be moved to the 21st of February, so as not to conflict with prep for our Valentine's Day dinner ... Valentine's Day Dinner will be on Saturday February 15th, please call ahead for reservations ... this is a great time and it fills fast ... see the menu and info elsewhere in your Elk O Gram ... as a side note, our dinner prices are rising slightly, it's been 10 years since we've raised prices (and you've all seen the cost of beef lately) \$12 in advance, \$14 at the door, and the new cut off for calling in reservations to get the discount is the Friday prior. We need to have enough time to adjust the food quantities for dinner prep, so please be mindful of the Elk volunteers who work so diligently to bring these dinners to you ... our monthly dinners pay the light bill ... please attend and bring your family and friends ... by the time you read this our Chili Cookoff will be in the books, a new winner for the traveling trophy and bragging rights for a year ... Dill Pickle Chili? Were you there? Did you get to sample? Resolve to attend the competition next year, better yet, make a chili and enter it with your fellow Elks ... it's a lot of fun! Chicken Noodle and cinnamon rolls provided courtesy of the Does, so those who are not chili aficionados had something to enjoy ... Taco's N Talent is right around the corner ... we need your help! Mark your calendar for February 29th, polish up your harmonica, tune up the guitar, brush up on your oratory ... let's all join for a Taco Bar and entertainment afterwards ... You all are the entertainment, so bring your hobbies or skills for all to enjoy. Did you make a quilt? Show and tell. Can you sing a song? Karaoke equipment will be set up. Play an instrument? We have an organ and a piano, or bring your own. Sing opera? Microphones and sound system is ready to go. Call E.R. Harry or Ed Holloway and throw your name in the hat, let's all have a great time on Leap Year Day! March 14th is St. Patty's Day, more in next months Elk O Gram about that, but plan on it... Spring is just around the corner! See you at the Pub ...
